State Senator JP Morrell Announces Key Endorsements

(New Orleans, LA.) This week, Senator JP Morrell received several key endorsements of his bid for re-election to State Senate District 3. The Alliance for Good Government, the Greater New Orleans AFL-CIO, the Independent Women's Organization (IWO), and the Orleans Parish Democratic Executive Committee have all selected Sen. Morrell as their candidate of choice.

Said Morrell, "The high standard to which these four organizations have traditionally held their candidates make receiving their formal support such an honor. I recognize the level of responsibility that accompanies their endorsements, and I will work every day to reaffirm their confidence in my ability to lead."

"The wide array of support that Senator Morrell has been able to garner certainly speaks to his strong record of honorable and effective representation of his constituents," commented David Morris, Morrell's campaign manager.

These most recent endorsements round out a highly successful week for the Morrell campaign, which also announced that they have raised \$150,000 to date. For more information about Senator JP Morrell, please visit www.jpmorrell.com.
